MEMORANDUM FOR: Chief, Development & Engineering Division, TSSG

SUBJECT : Special Responsibilities and Functions Requiring Reassignment

1. In response to your request, listed below are the extra curriculum duties which will require reassignment subsequent to my transfer.

- a. Review and Edit DED Contribution to TSSG Monthly Report. This is a first-of-the-month function which requires an hour or two to screen and edit the information supplied by the project monitors to [redacted]
[redacted] This report is due in TSSG/PPS on the 4th or 5th of every month.
- b. Collect Information and Compile Report for Chief/PPBS. This status report, due in PPBS on the 8th or 9th of every month, is composed of short paragraph, non technical language status information on the following eight (8) projects: (1) High Precision Stereo Comparator, (2) Automatic Target Recognition Program, (3) 1540 Light Table, (4) Dry Silver Materials and Equipment, (5) Wide-Field, High-Power Anamorphic Stereoviewer, (6) Advanced Rhomboid Model II, (7) Automatic Stereo Scanner, and (8) Image Comparison Microstereoscope.
- c. Assume Project Responsibility for the Following T&M Contracts. This has been a very low-level activity during this fiscal year.
[redacted] - Mechanical Services, [redacted]
[redacted] - Mechanical Services, [redacted]
Consultation Stereo Comparator [redacted] really monitors this one.
- d. Responsible Officer (Property Officer) for DED. This is a relatively new assignment and is still in the formative stage (see PRM memo dated 8 April on Property Accounting).
